

Steamerics Return Policy

Customers have 10 days from the date of delivery to the shipping address indicated in the invoice to request return and submit the RMA request form.

First, contact Steamerics to request a return. This will generate a Case Number.

Before returning merchandise, customer must complete and submit a Return Merchandise Authorization (RMA) Request Form and acquire an RMA number. Packages without an RMA number will not be accepted by Steamerics.

The RMA number expires 14 days after being issued. All items must be returned within this time frame.

The return shipment must include the product and a copy of the invoice, and the RMA number clearly labeled on the box to prevent refusal at our receiving facility.

Product(s) must be securely packaged for return. Steamerics is not responsible for damages / loss during transit.

Return is subject to a 15% restocking fee plus applicable charges for labor and supplies to repair damages if any.

Returned goods must be insured and in the original packing conditions.

Return freight cost and insurance shall be prepaid by the buyer. Customers outside the United States are subject to border processing fees.

Refund will be issued within 30 days of return. Applicable charges will be deducted from the original payment amount.
